Dear Minister:

I am pleased to submit for your consideration the Twelfth Annual Report of the Civil Legal Services Special Operating Agency for the fiscal year ending March 31, 2007.

The results of the 2006/07 fiscal year indicate that Civil Legal Services (CLS) has operated successfully and effectively by focusing on client service. The results also indicate that the advantages of SOA status, including the flexibility to hire staff as required to provide service levels appropriate to client demand, the ability to plan on a long term basis, and the ability to acquire equipment and supplies that support effective operation and promote a good working environment, are essential to CLS sustaining the provision of high quality legal services to its clients and in recovering the full cost of its operations.

The Advisory Board is pleased with the continued success of CLS and encouraged by the commitment of its employees and the support of its clients.

All of which is respectfully submitted,

Ron Perozzo, Q.C.
Deputy Minister of Justice
Deputy Attorney General

PROFILE OF CIVIL LEGAL SERVICES

Civil Legal Services

The role of Civil Legal Services ("CLS") flows from the constitutional and statutory[1] responsibilities of the Minister of Justice as the Chief Legal Advisor to government and the guardian of the public interest. Acting pursuant to government policy, Civil Legal Services is responsible for providing a full range of high quality legal services, on a cost recovery basis, to its clients, namely the Government of Manitoba, the government's agencies, boards and committees and some Crown corporations.

Special Operating Agency Status

CLS remains a branch within the Department of Justice of the Province of Manitoba and is accountable to the Deputy Minister and Minister for operational and financial performance. As a special operating agency, CLS operates outside of the Consolidated Fund and under the Special Operating Agencies Financing Authority ("SOAFA"), which holds title to CLS's assets, provides financing for operations and is responsible for CLS's liabilities. Accountability is supported by CLS's compliance with its Operating Charter, transfer agreement, management agreement, applicable General Manual of Administration policies and *The Special Operating Agencies Financing Authority Act* ("*The SOAFA Act*").

The increased management authority and more rigorous planning and reporting requirements afforded by special operating agency ("SOA") status have assisted CLS in sustaining the provision of high quality legal services to its clients.

---

[1]The statutory basis for the Minister's responsibility is set out in sections 2 and 2.1 of *The Department of Justice Act*, C.C.S.M. c. J35.

MISSION, OPERATING PRINCIPLES AND CRITICAL SUCCESS FACTORS

Mission of CLS

CLS's mission is to provide timely, high quality, helpful, efficient and cost-effective legal services that meet the needs of its clients, namely, the Province of Manitoba and the province's agencies, boards, commissions and those Crown organizations to which CLS provides legal services.

Operating Principles

CLS's mission and goals are supported by the following operating principles:

- service is customer focused
- service is cost-effective
- a commitment to the highest standards of service

Critical Success Factors of CLS

Factors critical to the success of CLS are:

- providing timely, high quality, helpful, efficient, cost-effective legal services that meet the needs of its clients;
- determining its effectiveness in meeting its clients' needs;
- identifying better ways to meet its clients' needs for legal services;
- improving communication between CLS and its clients and communication within CLS;
- improving job satisfaction; and
- developing means to assist staff to work as effectively as possible to satisfy changing client needs and to make adjustments to deal with increasing work loads, deadlines and the pressure of reduced resources.

COST RECOVERY BY CIVIL LEGAL SERVICES

On April 1, 1992, CLS became the first government legal services office in Canada to recover the cost of providing legal services to its clients.

On April 1, 1995, CLS commenced operation as a special operating agency.

In fiscal year 2006/07, clients were billed at the rate of $137.00 per hour[2] for services provided by CLS counsel, being the amount required to cover all of CLS's costs and break even. All of CLS's costs are covered by this hourly rate, including salaries, operating costs (including rent) and employee benefits (including pension benefits).

The CLS cost recovery system operates in a fashion similar to billing systems used by private law firms. Time spent by counsel in providing services is billed in increments of one-tenth of an hour. Each counsel keeps a daily record of time for services provided, indicating the client for whom the work was performed, the file on which work was performed, a brief description of the service provided and the amount of time expended. In fiscal year 2006/07, clients were provided with detailed statements of account showing the services provided on each file on a monthly basis.

2

Year	Hourly Rate
95/96	$97
96/97	$97
97/98	$97
98/99	$97
99/00	$101
00/01	$105
01/02	$123*
02/03	$126
03/04	$129
04/05	$133
05/06	$137
06/07	$137

*In 2001/02, CLS increased its hourly rate by $4.00 to $109.00 per hour for services provided by CLS counsel. The rate of $109.00 per hour made no provision for increased salary costs. The Manitoba Association of Crown Attorneys (MACA), which represents CLS counsel and other Crown counsel and Crown attorneys, had not signed a collective agreement for the period commencing April 1, 2000. The matter was submitted to a Board of Arbitration. The salary increase that resulted from the arbitration went beyond the general salary increase provided in the collective agreement with MGEU and resulted in CLS incurring added salary and benefit costs. Upon the settlement of the new collective agreement between MACA and the Province, CLS returned to Treasury Board with a financial plan to address the implications of the increase in salary and benefit costs. Effective November 1, 2001, CLS increased its hourly rate to $123.00 per hour to cover the increased salary and benefit costs resulting from the arbitration award.

Use of Outside Counsel

CLS provides most, but not all, civil legal services to government and its agencies. In appropriate circumstances, at the request of a client, outside counsel is retained by the Department of Justice, through CLS.

The current policy respecting the circumstances when outside counsel are retained provides considerable flexibility in meeting the clients' needs. At the request of a client, the Department of Justice, through CLS, will continue to retain outside counsel on a case by case basis where:

(a) the type of legal service required involves a degree of specialization which is not ordinarily available within CLS;

(b) the nature of the matter creates a conflict of interest for government legal counsel;

(c) it is more cost-effective to retain outside counsel; or

(d) the matter is of such magnitude that it would not be possible for CLS to provide the services while continuing to meet the needs of other clients.

STRUCTURE OF CIVIL LEGAL SERVICES

Staff

As of March 31, 2007, CLS staff consisted of:

- 1 director
- 31 legal counsel
- 1 administrative officer
- 20 administrative assistants *(15 in regular positions and 5 in term positions)*
- 1 financial officer
- 1 accounting clerk
- 2 articling students

CLS supports flexible work arrangements, including job sharing, part-time work arrangements and flexible hours, to accommodate the balancing of career and family. During 2006/07, two legal counsel and six administrative assistants worked in varied work arrangements.

Key Personnel

All members of CLS are key personnel and are committed to using their best efforts to advance the CLS mission of providing timely, high quality, helpful, efficient and cost-effective client-focused services. The provision of legal services requires a strong knowledge of the law and government issues as well as a high degree of collaboration, cooperation and consultation among members of CLS and with other counsel in the Department of Justice. All members have demonstrated these skills. They have also worked extremely hard to meet the service and operational goals of CLS.

Members of CLS are encouraged and given support to upgrade their skills.

Organization of Counsel

Legal counsel are divided into four teams, each headed by a team leader.

One team is designated as the litigation team and the members of this team perform most of the CLS litigation work. Litigation coming into the office is generally assigned to counsel by the litigation team leader. The second team consists of counsel whose area of practice is primarily corporate, commercial and information technology law. The third team, the Crown law team, consists of counsel who provide a wide range of legal services, including in the area of access to information and privacy. The fourth team of counsel practice primarily, but not exclusively, in the field of Aboriginal law and resource law.

The only legal position dedicated to management is that of Director. All counsel, including the Director, provide legal services to clients. Most counsel are assigned to provide legal services to one or more client departments or agencies. The larger clients are served by more than one counsel.

Administration

The day to day operations of CLS are managed by the Director, who reports directly to the Deputy Minister of Justice.

Within CLS, the "Action Committee" deals with administrative and other matters affecting its operations. The Action Committee consists of the Director, six legal counsel, the Financial Officer, the Administrative Officer and two administrative assistants and generally meets on a monthly basis.

All members of CLS are expected to do what is necessary to meet client needs. They are given information and authority needed to provide clients with timely and appropriate services.

ADVISORY BOARD

The Director provides plans and reports to the Advisory Board, established under the CLS Operating Charter, for review and consultation. The Advisory Board members are appointed by the Minister of Justice and the Board is chaired by the Deputy Minister. The Board's role is to provide advice to CLS on its direction, the provision of services, its structure and on its mandate, business practices and financial reporting requirements.

As of March 31, 2007, the members of the Advisory Board were:

Ex officio

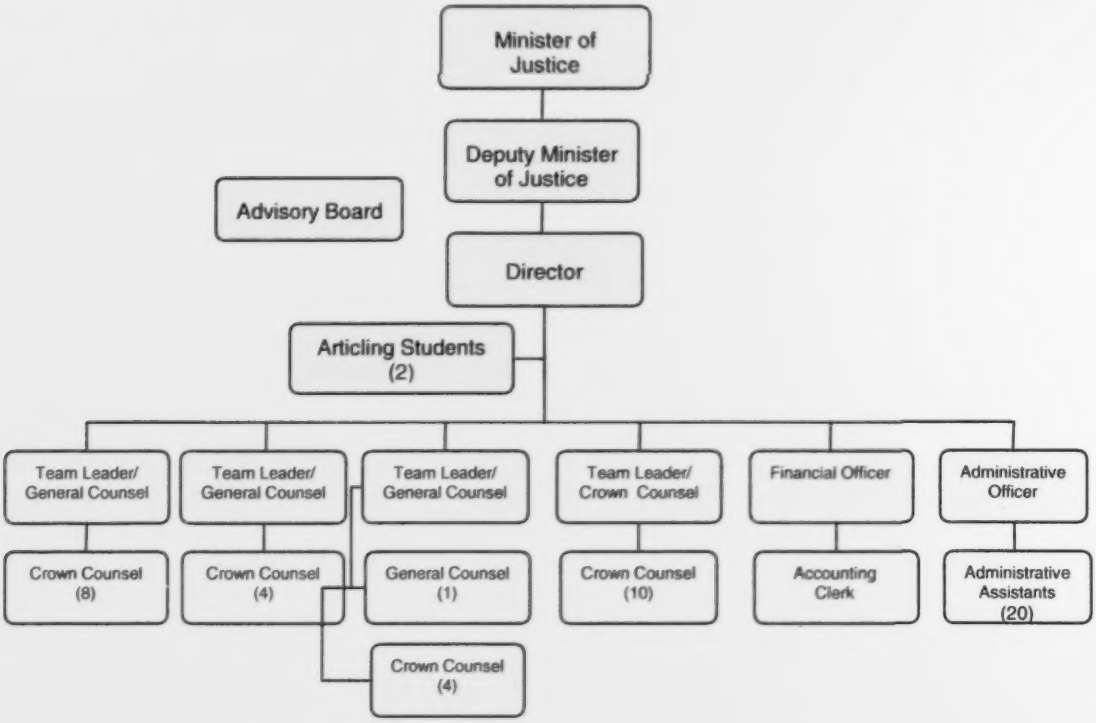
CIVIL LEGAL SERVICES
ORGANIZATION CHART 2006/07



SUSTAINABLE DEVELOPMENT

In December 2002, in accordance with Manitoba's Sustainable Development Procurement Guidelines, an Organizational Action Plan for the Department of Justice was developed. CLS adopted the Action Plan of Justice and implemented the goals that were applicable to its operation.

All CLS employees have worked toward the common objective of realizing the Province's sustainable development goals. The use of duplex printing and double-sided photocopying to reduce paper consumption, and participation in recycling programs were common practice in 2006/07. When feasible, CLS purchased and used environmentally preferable products and services, e.g. recycled paper and recycled toner cartridges for printers and fax machines.

PERFORMANCE INDICATORS AND ACHIEVEMENTS

In the 2006/07 CLS Business Plan, CLS established the following performance indicators for the year which set achievement levels for CLS.

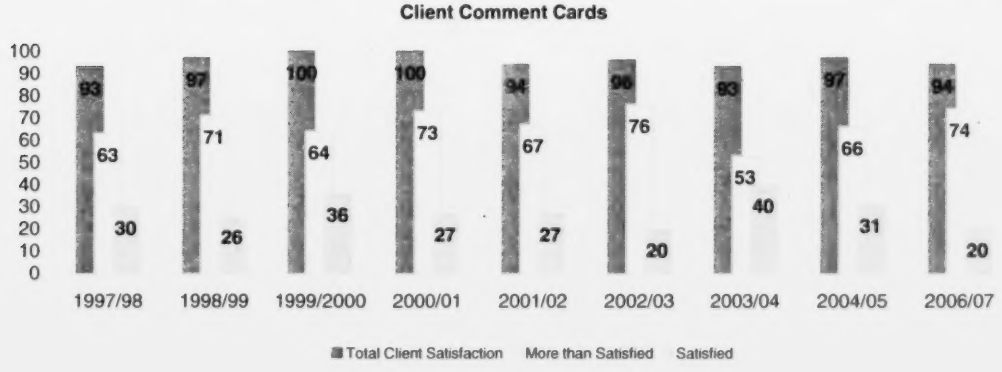
Client Satisfaction

Performance Indicator: Meetings with clients to discuss service.
Performance: Meetings completed.

Over the 2006/07 fiscal year, the Director of CLS met with Deputy Ministers and/or representatives of CLS's client departments and representatives of its Crown corporation clients to discuss the commitment of CLS to providing client-focused, high quality services; the services provided and the benefit of those services to the client; the cost-effective nature of the services; and client concerns and issues.

Performance Indicator: Use Client Comment Cards to regularly solicit client feedback as to their level of satisfaction.
Performance: Client Comment Cards distributed.

Since March 1997 CLS has been sending out Client Comment Cards on a quarterly basis to clients in order to obtain ongoing feedback. The feedback continues to be positive in 2006/07, with 94% of clients responding to the Client Comment Cards indicating that they were satisfied or more than satisfied with the services provided. (Client Comment Cards were not sent out in 2005/06 as the fifth Client Satisfaction Survey was conducted).



Performance Indicator: Review of Service Standards.
Performance: Service Standards reviewed.

The CLS Service Standards were established in 1995/96, and have been reviewed regularly. Service standards are needed to ensure client satisfaction with the services provided and to assure the ongoing maintenance of a high standard of service delivery. CLS Service Standards are designed to ensure that CLS will continue to provide clients with a service which they value by providing a measure by which the quality of the legal services provided by CLS may be judged by those receiving the services (the client) and others, and by providing the staff of CLS with objective standards to be observed in carrying out their responsibilities.

There was nothing in the feedback from clients in 2006/07 to suggest that any amendment was required in the CLS Service Standards. Accordingly, CLS determined that no change to the Standards was necessary.

Performance Indicator: Publish three information bulletins.
Performance: Three information bulletins published.

In order to inform its clients on significant legal issues and related matters of interest, CLS published three Information Bulletins in 2006/07:

- *When is an Order in Council Required to Authorize a Government Agreement?*
- *Summary of Manitoba Government Bills Passed at the 4th Session, 38th Legislature*
- *Liability of Government for Negligence*

To achieve the widest possible distribution of its Information Bulletins across government, CLS posted these and other recently published bulletins on the Justice Intranet.

Performance Indicator: ***Educational seminars for clients on current legal issues and developments.***

Performance: ***Members of CLS were directly involved in providing or presenting at a variety of seminars.***

CLS counsel were involved in providing a number of seminars, presentations and training sessions, including the following:

Implemented in 1997/98, the review process with respect to the members of CLS is intended to facilitate achieving the Mission of CLS and to contribute to the benefits identified as flowing from the Review Process, including: improving communication within CLS, clarifying roles and expectations, improving job satisfaction, assisting with career planning and training, and assisting the members of CLS to work as effectively as possible.

Fiscal Performance

Performance Indicator: ***Break even on operations.***
Performance: ***CLS recovered the cost of operations with a larger surplus than was budgeted for.***

Performance: ***Target exceeded.***

The daily average billable hour target per lawyer of 6.0 hours per billable day during 2006/07 was exceeded and CLS recovered the cost of its operations. These results reflect a high level of productivity on the part of the members of CLS.

PERFORMANCE MEASUREMENT

Performance measurement outcomes for staffing, client service, client satisfaction and cost savings are attached as Appendix A.

Cost Effectiveness

(In Thousands)

Annual Cost Savings

The cost recovery for legal services was introduced as a budget reduction measure. Unlike the approach taken with respect to the recovery of rental costs by Government Services, the client departments of CLS were not given any additional funding to cover the cost of legal services. This means that the amount charged each year to each client represents a net reduction in the client budget and an on-going budgetary savings to government.

Following this approach, the total savings from April 1, 1995, to March 31, 2007, are $48,921.

Net Income

As CLS operates very cost effectively, such that each year it has recovered an amount that exceeds its annual operating costs, the difference between the dollar value of service provided each year and the cost to government of CLS's operations in that year in effect is another way of calculating a cost savings as those funds are collected by CLS from clients but not expended. Looking at savings in this fashion, the annual net income of CLS each year could be considered to be a government cost saving.

Total savings to March 31, 2007, are $3,179.

Revenue Sharing

A third way of calculating cost savings to government would be to include revenue sharing payments from the retained earnings of CLS paid to government. In 1998/99, CLS made a $400 revenue sharing payment to the government and in 1999/2000, CLS contributed $500. In 2000/01, CLS was directed to budget for a $500 payment towards revenue sharing. No revenue sharing payment was required for 2001/02. CLS was directed to submit revenue sharing payments in 2002/03, 2003/04, 2004/05, 2005/06 and 2006/07 in the amount of $200 each fiscal year. In 2005/06, CLS agreed to make an additional revenue sharing payment of $50.

Total savings to March 31, 2007, are $2,450.

Net Income

CLS's net income for the 2006/07 fiscal year is $118 (88.0%) below budget.

Income before Expenses

Income before expenses is $339 (6.1%) below budget, which is attributable to the following unbudgeted changes in staffing that impact billable revenue:

(a) changes in work frequency,
(b) secondments of crown counsel,
(c) one crown counsel who was acting as Director,
(d) one crown counsel on maternity leave; and
(e) one crown counsel resignation in year and one at the end of the previous fiscal year.

Expenses

Total expenses for CLS to March 31, 2007, are $221 (4.1%) under budget. This is attributable to:

Travel

Travel costs are $14 (36.8%) below budget, attributable to a decrease in out of province travel and a proportionate decline in the costs associated with travel including air fare, hotel, and food and beverage costs.

Wages and Benefits

Wages and Benefits are $210 (4.5%) below budget. Savings in wages and benefits resulted largely from

(a) CLS staff participating in the Voluntary Reduced Work Week Program,
(b) secondments of Crown counsel; and
(c) staff resignations.

AUDITORS' REPORT

To the Special Operating Agencies Financing Authority

We have audited the balance sheet of Civil Legal Services, an Agency of the Special Operating Agencies Financing Authority, Province of Manitoba as at March 31, 2007 and the statements of earnings and retained earnings and cash flow for the year then ended. NOTES TO FINANCIAL STATEMENTS
(in thousands)
MARCH 31, 2007

1. NATURE OF ORGANIZATION

The role of Civil Legal Services (the "Agency") flows from the constitutional and statutory responsibilities of the Minister of Justice as the Chief Legal Advisor to government and the guardian of the public interest. Acting pursuant to government policy, the Agency is responsible for providing a full range of high quality legal services, on a cost recovery basis, to its clients, namely the Province of Manitoba, the province's agencies, boards and commissions and some Crown organizations.

Effective April 1, 1995, the Agency was designated as a Special Operating Agency pursuant to The Special Operating Agencies Financing Authority Act, Cap. s185, C.C.S.M. and operates under a charter approved by the Lieutenant Governor in Council.

The Agency is financed through the Special Operating Agencies Financing Authority (SOAFA). The Financing Authority has the mandate to hold and acquire assets required for and resulting from Agency operations. It finances the Agency through repayable loans and working capital advances. The financial framework provides increased management authority which, coupled with more rigorous planning and reporting requirements afforded by Special Operating status, assists the Agency to sustain the provision of high quality legal services to its clients.

A Management Agreement between the Financing Authority and the Minister of Justice assigns responsibility to the Agency to manage and account for the Agency related assets and operations on behalf of the Financing Authority.

The Agency continues to be part of Manitoba Justice under the general direction of the Deputy Minister and Minister.

The Agency remains bound by relevant legislation and regulations. It is also bound by administrative policy except where specific exemptions have been provided for in its charter in order to meet business objectives.

The Agency is economically dependent on the Province of Manitoba because it derives most of its revenue from the Province and all of its financing requirements through the Financing Authority.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Reporting: The financial statements have been prepared in accordance with Canadian generally accepted accounting principles. The significant accounting policies are summarized as follows:

Capital Assets: Capital assets are recorded at cost and are amortized over their estimated useful lives as follows:

Computer Equipment and Software	20% straight line (10% in year of acquisition)
Furniture and Fixtures	20% straight line (10% in year of acquisition)
Leasehold Improvements	20% straight line (10% in year of acquisition)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition

The percentage of completion method of accounting is used, whereby revenue is recognized proportionately with the degree of completion of the legal services provided.

Financial instruments

It is management's opinion that the carrying value of the Agency's financial instruments approximates their fair value, except for the receivable from the Province of Manitoba which cannot be reasonably estimated due to the nature of the underlying terms of collection. In addition, it is management's opinion that the Agency is not exposed to significant interest, currency or credit risks arising from these financial instruments.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. FINANCING ARRANGEMENTS

The Special Operating Agencies Financing Authority has provided the Agency with an authorized line of working capital of $500 of which $nil was used at March 31, 2007.

4. RECEIVABLE FROM PROVINCE OF MANITOBA

The receivable from the Province of Manitoba is for vacation entitlements earned by the employees of the Agency prior to creation of the Special Operating Agency and severance pay benefits prior to April 1, 1998. The balance is comprised of:

	2007	2006
Vacation Entitlements	$ 140	$ 140
Severance Pay Benefits	239	239
	$ 379	$ 379

The timing of the collection of these receivables will vary. The receivable, or portion thereof, will be collected in the event that there is a cash shortfall. However, this is only likely to happen on the dissolution of the Agency.

5. CAPITAL ASSETS

	Cost	Accumulated Amortization	Net Book Value 2007	2006
Computer Equipment and Software	$ 132	$ 90	$ 42	$ 52
Furniture and Fixtures	198	193	5	6
Leasehold Improvements	53	53	-	-
	$ 383	$ 336	$ 47	$ 58

6. SEVERANCE LIABILITY

Effective April 1, 1998, the Agency began recording accumulated severance pay benefits for its employees. The amount of severance pay obligations is based on actuarial calculations. The periodic actuarial valuations of these liabilities may determine that adjustments are needed to the actuarial calculations when actual experience is different from that expected and/or because of changes in actuarial assumptions used. The resulting actuarial gains or losses are amortized over the expected average remaining service life of the related employee group.

An actuarial report was completed for the severance pay liability as of March 31, 2005. The report provides a formula to update the liability on an annual basis. The Agency's actuarially determined net liability for accounting purposes as at March 31, 2007 was $523 (2006 - $468). Commencing in the 2006 fiscal year the actuarial loss of $87 is being amortized over the 15 year expected average remaining service life of the employee group.

7. PENSION BENEFITS

Employees of the Agency are eligible for pension benefits in accordance with the provisions of the Civil Service Superannuation Act (CSSA), administered by the Civil Service Superannuation Board (CSSB). The CSSA established a defined benefit plan to provide benefits to employees of the Manitoba Civil Service and to participating agencies of the Government, including the Agency, through the Civil Service Superannuation Fund.

Effective March 31, 2001, pursuant to an agreement with the Province of Manitoba, the Agency transferred to the Province the pension liability for its employees.

Commencing April 1, 2001, the Agency was required to pay to the Province an amount equal to its employees' current pension contributions. The amount paid for 2007 was $205 (2006 - $208). Under this agreement the Agency has no further pension liability.

8. LEASE COMMITMENTS

The Agency has not entered into a lease agreement with the Province of Manitoba for rental facilities at 405 Broadway. Occupancy charges for the year ending March 31, 2008 are estimated to be $231.
